SVP calls for a million gestures of kindness

SVP is launching an awareness campaign to address the trail of poverty and loneliness left in the wake of COVID-19 pandemic. Its Chief Executive Elizabeth Palmer concludes: "Awareness Month highlights the transformative effect of a small gesture and the cumulative effect they can have on a community. It offers a glimpse into the service offered by SVP members who feel the pull to befriend, support, feed, clothe and make a home for anyone who, through the randomness of fate, is in need. Now is the time for everyone to make one of those seemingly small gestures of kindness and build a better future for everyone."

For further information on the SVP's Awareness Month campaign or to donate, please visit <https://www.svp.org.uk/help-svp> or call 020 7703 3030.
